Re: USA v. John Looney
22-CR-6009

Dear Judge Pedersen:

I am requesting a 30-day adjournment for motions of the current amended scheduling dates.

AUSA Meghan McGuire does not oppose this request.

I assure the Court my client and I have worked diligently on a very regular basis in the preparation of motions and have conducted very extensive research. We would like this adjournment for our expert to review proposed motions and he has been unavailable most of the summer due to an out-of-town trial schedule.

Respectfully submitted,

James A. Napier, Esq.

cc: Meghan McGuire, AUSA
